“ *Ruth Sallee was one of the first people I met at Faith Baptist Church when I started to attend soon after the birth of my son John. Her along with all the sweet ladies there on Sundays looked after John. He became their baby right along with being mine. The last time I saw Ruth and Norman at Frischs she asked me how little John was doing. I happily replied hes 6 foot tall and has kids of his own. She was amazed how much his son reminded her of him when he was little. Her kindness was unmatched and she had a influence on myself and John. God Bless the family and love to all. She will always hold a dear place in my heart.*

“ I will always treasure the memories I have of Ruthie, and one sticks out in my mind. When Ruthie worked at the Photo Bug I worked at Begley Drug. Ruthie would come in the drug store to buy her snacks and thru that our friendship started.

When Darryl Chappell and I were dating she told me one Friday, you better not come in here Monday with a ring on your finger. Well it just so happened Darryl asked me to marry him that weekend, and on Monday Ruthie walked in the store. I tapped my hand on the counter in hopes she would notice my ring. It took several taps but she finally noticed it, and she said, What did I tell you Friday. LOL Well I am blessed and thankful for the years I had worshipping Christ at Faith with Ruthie too, because thru our years there she saw that Darryl and I made the right decision, we had 24 wonderful years together.

Love you and miss you my friend.

*So blessed to have called Ruth my friend. We sure had some good times in Fort Myers. Camping in Fort Myers won't be the same. Praying for the family during this difficult time. This picture was taken at Cheddars Restaurant in Knoxville. We all met there and had a wonderful time. They are Preacher Bill and Terry Boehm, Norm And Ruth, Joe and Mary Lynn, Clara and Charlie Murphy. Now two of the group are gone. Lost Charlie several months ago to Cancer.*

*“ I have great memories of growing up next door to Ruthie , Norman, Kathy and Doug even remembering her Mother Grannie Dodd. I am so sad to hear she passed away however glad to know she is not suffering anymore.*  
*She was always kind to me and my children loved her also.. She was a great lady and will be greatly missed by everyone. She loved the Lord and it's comforting to know she will be united with her loved ones someday. it is sad to also realize there are not many original residents of Lewis Lane left , as she was one of the few still there. All my love and prayers for the days ahead to the family.*
