“ *I'm just an old Boomer, but I have known Sam for many years. I met him when we moved to Reed Dr. 21 years ago. He went to school with my sons and is the best friend of my nephew. About 2 weeks ago I had an incident with a phone scam and I was afraid my house was being watched. I saw Sam in his moms driveway and told hom about it. He said put mu number in your phone right now and if you ever need me I'll be there in a heartbeat. I knew he would because that's who Sam Fraley was. A man of his word and a true friend. R.I.P. Sam, you are truely missed.*
