“ Nikki,
I didn't realize Shane was your brother. I believe he and my brother played together when they were in elementary school. Small world. I'm so sorry. I have lost a brother as well and it's no fun. You and your family are in my thoughts and prayers. If I can do anything, please let me know.
Love you, Mrs. Hall (well Kim now)

“ I can remember me and my cousin Justin going to his birthday party when we were young. He had a chuckie doll he tried to convince us was possessed. He kept trying to scare Bobbi with it. Was a great friend. Will truly be missed by many!!!

“ I was living in Canada at the time and Shane posted something on facebook about Chicken and Waffles and I commented a vomiting face. He told me he was going to make me try it next time I was in town. When I moved back to Kentucky life was always so busy and we never got the chance to go and try that Chicken and Waffles. Guess I'm going to have to try it now just because. Rest easy Uncle Shane

“ Shane will be be truly missed by me. I am going to miss everything about my little brother. I am going to miss football season most of all and all the phone calls and all the grief that we would give each other about each other's teams. Most of all I am going to miss the dad that he was with Jack. the 2 had a bond that could not be broken. I made Shane a promise and I will keep it. But Shane just know that your sister's heart will forever be broken. I love you now and forever,
