“ I have know bubbly, smiling Stacey all my life. We lived past McQueen's Hill on Manley Leestown Rd formerly Lewis Ferry. R.R.9. One side of our farm is next to the late Albert Luscher and the other side is next to the late Richard Luscher. I wished we had received our paper early Dad (John Triplett) and I would have attended tonight. He called to let me know and was really upset. We all grew up together, JW, Larry, Randy, Stacey, Jr., and Raymond and Doug.

I sometimes ran into Stacey at Southern States, restaurants and at the grocery. Always smiling. Thank you for sharing the photos, I remember many of them. Seems like only yesterday. She had the cutest smile and twinkling eyes. To us, she never changed. She was always glad to see you and we'd catch up for a few minutes. Such a kind, sweet girl.

I always told her she was the rose between all the thorns.(all the boys). She dearly loved the farm and we were so happy when she was able to purchase the farm next to the homestead. Our prayers and thoughts are with you all.

Love,

Pam Triplett (Gene) Cloyd and family, John (Minnie) Triplett, Jackie Triplett Owens and family, Rhonda Triplett (Robert) Sharfe and family.
