“ *I'm happy to say you all were part of my childhood. I remember meeting up by accident in Pigeon Forge a few times and a small family party turned into a big one. I'm sorry I can't be at the visitation or funeral but you all are in my prayers. Sending love. Jennifer*

“ *Lilly, we were so shocked and saddened to read of Steve's death. We haven't been keeping in touch with dear friends very well. We have wonderful memories of the good times we had with you and Dow and those precious boys. We enjoyed Steve and Mike so much and know how proud you were to have them. It was great seeing them grow up. We are deeply grateful to have had those experiences with you at church and in your home. Love and prayers during this difficult time. Bill and Joyce*

“ *Lilly and Mike, I am so sorry to hear about Steve. He was such a fine young man and a great friend when we were kids. My prayers are with you all. I'll always remember coming out with Mom and Dad when you all played cards and us kids (sometimes getting in trouble) but they are good memories.*
