“ Rhodonna, I am so sorry to hear of the passing of your dad. He was a sweet man. I recall a time when Larry Redding was pastor at Lebanon and he arranged a chance for the youth/young adults group to take a plane ride. Your dad was our pilot and it was a great experience. I had never flown and really thought it was cool...That was until I got home that evening. I was sicker than a dog. LOL May God give you and your family the strength you need at this time.

God Bless,

“ Sue and family,

Words seem so useless at a time like this, but Ronnie and I want you all to know we are so sad and so sorry for your loss. We especially enjoyed the times that we were able to share in the joys of our grandchildren.

Steve always seemed to have such a positive outlook and a wonderful smile whenever we were around him. Such a massive loss to the family, friends and the community he loved.

All of you are in our thoughts and prayers. Perhaps you will find a bit of comfort in the fact that he will no longer be in pain. He has left you all a wonderful legacy and an example for us all.

*Love to all of you,
Alma and Ronnie*

“ *Sue, Steve was such a blessing to us in the Morehead camp when he conducted a new member plan calling several years ago. This was just one example of the many activities that Steve was involved with. He conducted each one with professionalism, care and an acute vision of what the ministry of The Gideons International stands for. We will miss his service in this ministry and the many years of experience that he gave to our KY Association. We pray for your comfort and peace in the days and years ahead.

“ My sincere condolences to Sue and the rest of the family. Steve will be missed by all who have known him.

I first met Steve while serving in the Indiana Air National Guard. We both served in the maintenance section and shared many common interests of maintenance and flying. We took the opportunity to take several trips together with other Air Guard members and to tour the sights of where we were stationed on summer camp deployments.

We had some enjoyable trips. I was out of the Guard for a while and lost track of Steve. I later moved to KY and took a position as a pilot with The KY Department of Air Transport. I was taken to meet the Division's Chief of Maintenance and there was Steve. Steve was in charge of maintenance for all State aircraft.

It was great to see Steve again. I worked with Steve for several more years before retiring. Steve was one of the most giving men I have ever met. He went out of his way to help me and anyone else in need. He was a dedicated Christian and will certainly be missed by all who had an opportunity to know him. He served God well during his time on earth and since flying was something Steve enjoyed, I am sure that he is flying again in God's Angel Flight Department doing God's work. Good flying, Steve.
