“ I will always remember the welcoming home that Glen and Jan had for young teenage boy that always had a nack for showing up when the Chinese food did. The stacks of frozen pizza and original, original Coke didn't hurt either! May God bless you and remember that this separation is only temporary. As Glen used to say every time that I saw him, “Be Cheerful!”

“ Glen was a good friend of our family, especially my father. Dad thought a lot of Glen, and they have many good times together. I'm sure they are trading stories in Heaven right now. My deepest sympathies to you, Jan, and the rest of the family.
