“ *Kaye had been my little nana for almost 6 years. She truly taught me a lot over such a short time. She was so strong and loving to all those around her. She treated me as her own and I loved her her the same. I am so blessed to have such a wonderful lady touch my life. I loved the long talks we would share at her kitchen table as well as the smile on her face when she held my son; her great grandchild. Her memory will live forever in my heart. Until I see her again I know she is an amazing beautiful angel who no longer suffers but will watch over her family above. Gone but never forgotten. Love you forever little nana.*
