“ *Papaw was a man that most could only imagine to be like. Never met a stranger, always let you know you were important to him with the simplest of words. A gentle soul, the most generous of human beings. He had no picks and loved us all so well. The world lost one of the best things about it today and it's never gonna be the same without him. Papaw I love you so much, thank you for giving me the most amazing, generous, loving mother anyone could ask for. You did perfect with her. And If I should ever become at least half the man you were to your family I'll be more than okay. Your deeply loved and never forgotten papaw, we will see you soon. Until then watch over us as I know you already are- Your grandson, T.J. ;)*
