“ I knew the Sparkman family since 80's in Covina California, and going to concerts or just kicking back at the house and in Honda Valley and driving to Bar too bar in my Suzuki Samurai and of course flipping the Suzuki over with my headlights bright into a living room window of the unknown. Nobody was even though there was only two seats driver and passenger but some how I seven people in the rag top Suzuki Samurai. We all made sure everyone was okay and than we pushed the Samurai over on the wheels and started right up and off we went to the nearest bar and then we made it back to their house in Hesperia California. My Condolences to all of the family. Timothy Ochoa

“ Worked with Tom for years at the Auditor of Public Accounts. Tom was always a good guy, willing to help those of us less 'computer competent' fellow employees. He certainly stepped up when life threw him some serious curveballs. I'm very sorry to hear of his passing. Prayers for his family and friends.

“ I blessed to meet Tom at Carls Pumpkin patch in Azusa. we work the different lots together. we would bet who could get the most ladies phone numbers in a weekend.then we would eat 4x4's from in-n-out in Rancho Cucamonga. I remember one time I wanted to borrow Tom's little Toyota pick up. he warned me that they lost a snake in there. I remember doing donuts at the pumpkin lot in Azusa with the GTO .We Lost the brakes and wiped out a bunch of Christmas trees. Carl was Pissed . Or playing Detective when someone was stealing Christmas tress and we followed the needles to some apartment. The guy that answered the door was huge . we said oh sorry, wrong apartment. Man We will Miss you Tom !!! Thank you for the Times we did get to hang out.
