“ Sis, I miss you already! You always spoke your mind. I know you're in a better place now, but I didn't think it would happen so soon. Life is so unpredictable. It's like each of us has a death card in our pocket that we carry with us everywhere we go, but we don't know when and where we'll use it! You will always hold a special place in my heart. Love you, and may you rest in peace!

“ I worked with Wende for many years at St Joe. My warmest memories of her was her great big smile when I came on shift in the mornings. She would greet me with that smile and I would bring her a cup of coffee. We would get report and if the phone rang she would answer “Greenidge RN”. After Wende retired I had the pleasure to care for her one day after a surgery. She opened her eyes and with that wonderful smile she reached up and hugged my neck. Wende was one of a kind with a loving soul. When I think of her she still makes me smile. Wende, you left your mark. Blessings to the family,
