“ My sweet, caring, funny cousin. For most of our lives we were more like brother and sister than we were cousins. You were my very best friend, and I will cherish that everyday for the rest of my life. I'm so thankful you have given us Michelle and Bentley. Watching you be a husband and a dad, was one of the best parts of this life. Jesse, losing you has left such a darkness, something I was never prepared for. I know you're up there with our papaw, hunting and fishing, having the time of y'all's life. I sure hope y'all are waiting on me, until then, watch over us. I know Michelle and Bentley miss you so much. Until I see you again, rest easy. I love you so much ❤️
