“ I didnt know Alex very long. I met him and wife Melissa in the last 10 years. Alex was such a happy person even in his misery the last few years. He never complained but he certainly could have given his situation. I loved how he and Melissa were such good friends. They knew each others wants and needs. Alex was so much fun. I will miss him but will see him again in another place.

“ I've known Alex for many years. His passing saddens me. I admired his down to earth personality. He always had a funny story or joke to tell. I am proud to have called him my friend and blessed that he allowed me to. During this difficult time please know my thoughts and prayers are with you Melissa and all of Alex's family
